

# Original Prints by Mario Gerth Photography

Mario Gerth's fine art photography, notable for its striking fusion of ethnography and classical beauty, has earned recognition from collectors and interior designers.

Large in scale and typically displayed as feature pieces, these transporting works lend a subtle emotional resonance to any space. With their sense of romance, love for Africa and dramatic contrasts of black and white or color, Gerth's images have transformed private homes and public interiors.

Any image found on [www.mario-gerth.de](http://www.mario-gerth.de) or <https://www.flickr.com/photos/abgefahren2004/albums> is available as a high quality print and comes with a certificate of authenticity.

## FAQ

- Prints:** All products are an authentic print made from an original photography image captured by Mario Gerth. The certificate is hand-signed, dated by the artist and contains a hologram. Our products last for many years if properly cared for and give joy forever.
- Transport:** We use very safe Art-Boxes and ship world-wide. Delivery takes 5 to 10 days. With your tracking number you can follow your print. We send insured. In case your piece of Art is hurt, we will replace it. Transport cost is depending on the size and medium.
- Payment:** You can use Paypal ([mgs24@web.de](mailto:mgs24@web.de)) or international bank transfer. As soon as your payment arrives the order takes place. **Both is safe!**
- Discount:** For resellers we can discount our prizes in some cases if you tell us a **good reason**.
- How to order:** Let us know your size and medium. Tell us your image you love (via attachment or Flickr Link, screenshot). Do the payment. Receive the print. **Be happy!**
- Quality:** We use the finest material available on the market. It starts with the paper, followed by the ink we use, the printers, the ArtBoxes, the stuff we work with. We work on a very high level to ensure you **100 % quality**.
- Our details:** Mario Gerth Photography – Fabrikstrasse 21 – 07607 Eisenberg – Germany

## FAQ

### Hahnemühle Print:

The finest photo print, artistic perfection. Our Fine Art print on Hahnemühle's high quality artist paper is luxurious and authentic. The Premium K3 pigment print has a total of nine different inks, ensuring that even the minutest details are visible, and the colors appear freshly printed - even after 100 years. An additional white border emphasizes the elegant appearance of your photos.

Hahnemühle Print

### Museum Print:

Your original photo print under acrylic glass – mounted on an aluminum Dibond base: Display your favorite photos just as the leading galleries and museums do: as original photo prints under acrylic glass. The acrylic glass gives your image remarkable depth and brilliance. A hanging system is at the back. As an alternative the print comes on canvas ready to be frames as you like. The premium canvas from Berger (360g/m<sup>2</sup>) is made from 100% cotton and its woven texture is clearly visible in the matte surface. The result is amazing.

Wood Frame

Museum Print

### Wood Frame:

Present your favorite images with traditional, refined passe-partouts and classic wooden frames. Use the different materials, colors, and formats that are available to design a harmonious presentation that complements the colors of your photo print.
